In Hand Letter of Reference (Professional) for

Marc Mathyk

To Whom It May Concern:

It gives me a great deal of pleasure to offer this letter of reference on behalf of the above named individual.

I offer this letter of reference in my capacity as Head of School of Mont'Kiara International School in Kuala Lumpur, Malaysia. Mont'Kiara International School (M'KIS) is a private, co-educational day school offering a North American style curriculum to children from Pre-Kindergarten to Grade 12. English is the medium of instruction. M'KIS offers both a US High School Program Diploma and the International Baccalaureate Program Diploma. M'KIS is fully accredited by the Western Association of Schools and Colleges and the International Baccalaureate Organization. It is licensed by the Malaysian Ministry of Education.

Marc has been on the faculty of Mont'Kiara International School since the beginning of the 2007-2008 school year. Marc has taught in our Art program where he has been a teacher in Middle School Art. In addition, Marc has taught Middle School Advertising and Middle School Computer Art.

His skill in the classroom led us to assign Marc to the high school level where he teaches High School Art, High School Ceramic and the Yearbook class. In addition, Marc also teaches our IB Art program.

Marc has completed the IB Art Diploma workshop.

In addition to his excellent classroom teaching experience, Marc has at various times been a coach for U13 girls' soccer and he has undertaken a drumming After School Activity for interested students. Marc has also expressed an interest in becoming a WASC Visiting Team member and has recently completed that training module.

Marc is a very cooperative staff member and has collaborated with his Visual and Performing Arts colleagues in the design and production of materials for various performances.

In summary, I find Marc to be a very capable and conscientious member of our professional staff. He has certainly done all that has been asked of him and has proven himself to be a quality teacher.

I recommend Marc Mathyk, without qualification or equivocation, to any professional position for which a potential employer believes him to be suited.

If I can be of further assistance, please do not hesitate to contact me at wcmorris@mkis.edu.my or waltmorris@hotmail.com

Thank you.

With best professional regards, I remain,

Yours truly,

Walter C. Morris
Head of School
